- e) The offensive player may protect the player with the ball by screening as done in basketball. Screening shall be defined as an offensive player maintaining a position between the defensive player and the player with the ball. No part of the screener's body, except their feet, may be in contact with the ground. Movement of the screener's body that causes contact with the defender is considered an illegal screen. The screener may not cause intentional contact with their elbows, forearms, hands, head, shoulders, or hips. **Incidental contact is unavoidable.** Whether stationary or not, all blocking violation are 10-yard penalties.

- e) The center may use a conventional snap, a shotgun snap or a side snap to put the ball in play.

- h) Defensive Line – A minimum of 3 players must be on the line of scrimmage.

- a) This is a recreational league and all coaches must make every effort to avoid lopsided games. Coaches who run up the score over a weaker opponent may face disciplinary action by the football directors.
- b) After a team scores and is ahead by 12 points or more, the receiving team will start with the ball at the opponents 40-yard line.
- c) After a team scores and is ahead by 18 points or more, the receiving team will start with the ball at the opponents 20-yard line.
- d) A team who is ahead by 18 points or more is **EXPECTED** to place offensive skill players in line positions when on offense. This will allow other players to gain experience handling the ball and keep the game from being lopsided.
- e) If a team scores and is ahead by 24 or more points, the opposing team will start their next possession from the opponent’s 20-yard line. If the trailing team fails to score on that possession, they will retain possession and begin another drive on the opponent’s 20-yard line. An interception shall be considered dead at the spot of the interception and the ball goes back to the offense on a 1st down. Once the lead is less than 24 points, they may resume playing offense subject to the other sportsmanship rules listed above.
- f) Teams up by 18 points, or more, can only move/advance the ball by **PASSING** the ball from the 40-yard line to the end zone.
- g) A pitch pass (lateral) is not a forward pass.

2.9 PENALTIES

- a) The center shall be allowed sufficient time to snap the ball and assume a blocking position. Determination of “sufficient time” shall be at the discretion of the referee whose sole purpose is to protect the safety of the child centering the ball. To prevent neck injuries, centers attempting “shotgun snaps” shall be afforded a safe distance by the defender. A defensive player who fails to adhere to the official’s definition of “sufficient time” to allow the center to snap the ball and assume the blocking position shall be penalized **“Unsportsmanlike Conduct, Dunking the Center”**. **Penalty: 15 yards.**

- b) The ball carrier must run to avoid tacklers. Deliberate **charging of an opponent is 10 yards penalty**. Officials will use the same judgment on charging and blocking by offensive or defensive players as in basketball. Brushing contact and unavoidable contact is not willful charging.
- c) A ball carrier may NOT stiff arm a defender or protect his flags by deflecting the defender with the use of his hands. A ball carrier that impedes the legal attempt by the defender to deflag him by protecting his flags with his hands shall be penalized for **“Flag Guarding”**.
Penalty: 10 yards.
- d) No forceful charging or aggressive blocking or defensive BULL rushing by players is permitted.
Penalty: 10 yards.
- e) If a defensive player tackles a ball carrier, **penalty is 10 yards** from the spot of the foul. If the runner was in the clear, and in the opinion of the referee would have scored except for being tackled, a touchdown shall be allowed.
- f) If a defensive player reaches across the body of the ball carrier to pull flag and contact is made which impedes the progress of the runner, the responsibility of the contact lies with the defensive players. **Penalty: 10 yards.**
- g) An offensive player in front of the ball carrier must stop or alter his run to avoid intentional contact with a defender. **Penalty: 10 yards.**
- h) Unnecessary roughness by tackler or elbowing by runner. **Penalty: 10 yards.**

- j) Unsportsmanlike Conduct - **Penalty: 10 yards and/or ejection.**
- k) Pass Interference shall be enforced when it is considered flagrant and interferes with the opportunity for the receiver to catch the ball. **Penalty: 10 yards and an automatic 1st down.**
- l) A defensive player cannot push an offensive player/ball carrier out of bounds. **Penalty: 10 yards.**
